Dot Hill and ACW Distribution Establish Strategic Partnership

Dot Hill and ACW Distribution Enter into Partnership to Deliver Advanced Storage Solutions to the ASEAN Markets

Singapore, 03 April 2009 – Dot Hill Systems Corp, (Nasdaq: HILL), a leading provider in delivering high performance storage solutions with industry-leading uptime, announced a new strategic partnership with the selection of ACW Distribution (S) Pte Ltd (“ACW”).

‘We are extremely excited about entering into this partnership, which marks the beginning of a significant relationship that will strengthen the presence of both Dot Hill and ACW in the ASEAN market. Dot Hill brings to the ASEAN countries vast experience and expertise in bringing unique storage solutions to market, quickly, easily and cost-effectively.’ says Sam Chng, Regional Sales Director for ACW South Asia and India.

With the rising needs in the region for environmentally sound storage solutions Dot Hill offers systems that are focused on being “green”. Dot Hill storage will provide regional partners with high performance and value, while offering solutions that are environmentally responsible. The strategic relationship with Dot Hill completes ACW’s spectrum of “best-of-breed” Enterprise and SMB offerings and reinforces ACW’s position in the Go-To-Market services.

ACW will market storage products and solutions from Dot Hill to an extensive channel of system integrators and VARs, through programs such as certification initiatives for channel partners, user-awareness events, and strategic sales and marketing promotions.

About Dot Hill Systems Corp

Delivering innovative technology and global support, Dot Hill empowers the OEM community to bring unique storage solutions to market, quickly, easily and cost-effectively. Offering high performance and industry-leading uptime, Dot Hill's RAID technology is the foundation for best-in-class storage solutions offering enterprise-class security, availability and data protection. In use today by the world's leading service and equipment providers, common carriers, advanced technology and telecommunications companies, and government agencies, Dot Hill solutions are certified to meet rigorous industry standards and military specifications, as well as RoHS and WEEE international environmental standards. Headquartered in Carlsbad, Calif., Dot Hill has offices in China, Germany, Israel, Japan, Netherlands, United Kingdom and the United States. For further information, please visit www.dothill.com
