## **Edge-Core Networks appoints ACW Distribution in Singapore**

Singapore, 20<sup>th</sup> February 2011 – Edge-Core Networks, a supplier of advanced networking solutions provided around the world announced the appointment of ACW Distribution (S) Pte Ltd (“ACW”), a leading IT enterprise solution provider in Asia, as the Master Dealer in Singapore

Under this agreement, ACW will distribute and market through its extensive channel-partners, network Edge-Core’s hardware and software solutions and establish a wide customer base with excellent sales and support in Singapore.

*“With the wide variety of technologies available nowadays, it is very hard to find a solution that fits all, especially for networking environment. However, Edge-Core is able to do just that with its complete set of advance software features and a range of configurations to fulfil different sizes of networking environment installation requirements from SMB to the enterprise level. We are delighted to be appointed as the distributor for the Singapore market as Edge-Core’s innovative technology is a valued addition to our clients.”* said Johnny Law, Regional Sales Director, ACW.

### **About Edge-Core Networks Corporation**

Edge-Core Networks Corporation is a professional networking solution provider offering a complete range of carrier-grade and enterprise-level networking equipment and services to partners around the world. Headquartered in the Hsinchu Science Park in northern Taiwan, Edge-Core was originally established in January 2004 as a group of the Accton Technology Corporation responsible for global branded business. On the 1<sup>st</sup> of May 2010, Edge-Core spun-off into an independent subsidiary of Accton in order to easily address different market needs and facilitate greater responsiveness to customers.

Edge-Core has over 20 years of experience in IP technology and manufacturing know-how from its long-established parent company, Accton. Edge-Core is also responsible for the SMC Networks brand world-wide with a focus on carrier and enterprise solutions. SMC has nearly three decades of experience targeting SMB and SOHO applications and are able to work closely together to offer customers a complete range of wired and wireless networking products together with integrated, reliable end-to-end solutions for MSO/ISP, enterprise, SMB and SOHO applications.
